House Bill No. 4011

by deleting the following language in Section 56-7-3007 of the amendatory language of Section 5:

() Contractors shall assume all insurance risk for health benefits coverage provided pursuant to this act. The state of Tennessee shall assume no insurance risk for health benefits coverage provided pursuant to this act.

and by substituting instead the following as a new subsection to Section 56-7-3307 in the amendatory language of Section 5:

() It is the clear intent of the general assembly that, notwithstanding the language of any other provisions of this part to the contrary, the state of Tennessee shall seek to place all insurance risk for the health benefits provided pursuant to this part on the contractors as of January 1, 2010, so that the state of Tennessee, after that date, assumes no insurance risk for such health benefits coverage.
